

# On-going projects

written by Antonio Bonetti | August 9, 2014

*'I will study and prepare  
and someday my opportunity  
will come',*

**Abraham LINCOLN**

Devising a framework for understanding the current fast-changing world presents challenges.

My current research projects – **SFERA PUBBLICA 2.0**, **LEADER 2.0**, **EUROPE 2.0** – help me to establish that framework. Bearing in mind the aforementioned compelling message: “one planet, one human race”.

Furthermore, they are key to the improvement of my professional skills.
